Challenge by Sam & Traci Adams: Getting a tax refund this year? How about considering tithing 10% of the refund to the church in addition to your regular pledged giving? God has laid this challenge on our hearts. The church's pledged giving this year doesn't cover our entire budget. So we, as a church, must participate in some fundraising events to provide the extra income needed to meet our budget. So we want to offer this challenge. If you were blessed with a tax refund this year, will you joyfully join us by giving 10% of it back to God? We can accomplish this by placing your gift in an offering envelope and marking it (and your check) "Challenge." We also feel God saying we aren't going to need any fundraisers if we bless our church in this way.
